

Los Gatos Meadows Proposal Frequently Asked Questions

January 2022

Q1: What is the Los Gatos Meadows proposal?

A1: Our proposal to rebuild Los Gatos Meadows aims to provide innovative senior care and housing on a safe and modern campus that ensures the well-being of residents, employees and neighbors. It will include sustainable, accessible and state-of-the-art features that are integrated with existing resources and are aligned with the Town of Los Gatos' long-term vision. We're committed to working closely with the community and Town leaders to ensure a transparent and thoughtful proposal review process.

Q2: What is the status of the proposal?

A2: Rockwood Pacific Inc. on behalf of Covia, the non-profit owner of Los Gatos Meadows, submitted a formal application for re-development review for 110 Wood Road to the Town of Los Gatos Planning Division on Jan. 22, 2020. The project application and all related documents (inclusive of the Draft Environmental Impact Report and supporting technical appendices) are available on the Town of Los Gatos website (www.losgatos.com) and at <https://www.losgatosca.gov/2393/W>.

Q3: What is the expected timeline for the rebuild proposal?

A3: We anticipate the Town's Planning Commission hearing will be scheduled for the early part of 2022 followed by a Town Council hearing. Preparation of construction documents and permit approvals are likely to take at least another 18 months following the Town's action on the project. The soonest construction would start is mid-2024 and we anticipate it lasting two and a half years.

Q4: What is happening now to the buildings and grounds?

A4: Since the Los Gatos Meadows facility closed Sept. 30, 2019, Covia has provided on-site property management and security, ensuring the campus remains safe from fire, trespassing, vandalism and dumping. In addition, ongoing maintenance has been provided as needed. Covia has erected a perimeter fence around the main campus and has posted no trespassing signs. We do not anticipate demolishing our existing facilities until we have a permit for the rebuild proposal.

Q5: Why did Los Gatos Meadows close?

A5: In early 2019, after completion of a rigorous facilities assessment, Covia concluded that continuing operations of the 48-year-old Los Gatos Meadows facility presented too great a safety risk to our residents and employees. We worked closely with all our residents, their families, our employees, neighbors and the Town of Los Gatos to ensure a thoughtful and smooth closing on Sept. 30, 2019.

Q6: Who is managing the proposal?

A6: Covia, the long-standing Los Gatos Meadows non-profit property owner/operator with 50 years' experience managing senior living communities, is overseeing the proposal. Covia recently affiliated with Front Porch, a not-for-profit family of senior communities and partnerships. The two organizations are stronger together in an evolving marketplace and have increased their ability to support services and growth.

Covia has retained Rockwood Pacific Inc. to provide development management services. Other members of the team include Perkins Eastman (site planning and architecture); Kimley-Horn (planning and civil engineering); and Gates + Associates (landscape architecture).

Q7: What is the visual impact of the project on the surrounding community?

A7: Covia has erected story poles on all perimeter buildings to provide the community with the anticipated visual impact of the proposal for Los Gatos Meadows. Also, we have developed numerous visualization exhibits to assist in gauging the visual impact of our proposed rebuild project.

Q8: Who will own and operate the proposed Los Gatos Meadows?

A8: Covia, as part of its recent affiliation with the non-profit Front Porch, intends to operate the proposed community and to retain full control of the property.

Q9: Are there any updates regarding the "Town Integration Plan"?

A9: Yes, design and programs for the proposed community may include improved quality-of-life experiences for residents, increased accessibility to Los Gatos businesses, and fewer car trips.

Q10: Is the proposed project expected to affect the Town of Los Gatos' Regional Housing Needs Assessment (RHNA)?

A10: No. The current and proposed use is as a Continuing Care Retirement Community. The proposal is to amend and replace an existing Planned Development. These actions are not expected to affect the Town's RHNA calculations.

Q11: What are the plans for Farwell Lane?

A11: The proposal would minimize on-campus interactions between vehicles and pedestrians. The current plan includes the integration of one or more autonomous vehicles (similar in size to a golf cart) to be used along Farwell Lane to enable the safe, convenient and alternative means of transport for residents between Los Gatos Meadows and Town retail, entertainment and civil services
