All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract, or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.

RESIDENT REPRESENTATIVE AND RESIDENT MEMBERS ON THE BOARD

California Continuing Care Statutes require that a multi-facility organization have at least one non-voting Resident Representative for every three communities and one resident as a voting member of the provider's governing body. The Covia Communities Board, in its role as the governing body, currently has a designated Resident Director as a voting member. In addition, another current Board Member is a resident. The Covia Communities Board has invited each community to have one non-voting Resident Representative. At the present time, Covia has five (5) Resident Representatives, more than what is required, which would be two (2) Representatives.

These Representatives participate as non-voting members, attend Board meetings and receive all the same written and electronic notice of meetings, packets, minutes and other materials provided to Covia Communities Board members. The resident representatives are permitted to attend meetings of Covia Communities Board and there is an elected Resident Representative that serves on the Covia Communities Finance and Investment Committee that reviews the annual budget of the organization and recommends increases in the monthly fees.

The Representatives are asked to provide a report and comments at each Board meeting. As a matter of practice, they retain confidential information and share the appropriate knowledge and information they gain at the Board meetings with residents at their respective communities

Representatives are selected by their peers within their respective community, based on criteria determined by the residents of their community. Each serves a term, typically one year, but that length of term varies by community. An alternate is typically selected as well.

HISTORICAL MONTHLY SERVICE FEE DISCLOSURE:

Effective January 01, 2014, Covia Communities (fka) Episcopal Senior Communities, began offering incoming residents Lifetime and Classic Continuing Care contracts with the exception of Los Gatos Meadows and Canterbury Woods. Since the closing of Los Gatos Meadows, Canterbury Woods is the only community to offer new residents the Monthly Agreement only.

St Paul's Towers, San Francisco Towers, Spring Lake Village and Webster House communities have modified contract offerings over the years and the historical monthly service fee comparison provided is intended to represent the current fees for 2016, 2017 & 2018 that are based on the current choices of a Lifetime Contract and a Classic Continuing Care contract. The 2015 fees shown reflect similar contracts offered at that time, which are known as Type A and Type C.

It is noted that average monthly fees reflect Community pricing adjustments. Fees are averaged based on a variety of apartment styles and sizes within the apartment type. Also, the four communities offering continuing care contracts presently offer a repayable contract option in both Lifetime and Classic Continuing Care. The rate of refund ability has been adjusted over time and is currently established at 75%.
