## **Report of Independent Auditors**

The Board of Directors  
Jennings Senior Housing, Inc.  
(a California Nonprofit Public Benefit Corporation)

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Jennings Senior Housing, Inc. (a California nonprofit public benefit corporation) (the "Project"), HUD Project No. 121-EH 178-NP-WAH, which comprise the statements of financial position as of March 31, 2018 and 2017, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jennings Senior Housing, Inc., as of March 31, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### ***Supplementary Information required by HUD and Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 16 to 26 is presented for purposes of additional analysis as required by the *Consolidated Audit Guide for Audits of HUD Programs* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards shown on page 28 as required by *Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated June 28, 2018, on our consideration of the Project's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Project's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Project's internal control over financial reporting and compliance.

San Francisco, California

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Notes to Financial Statements**

---

**NOTE 1 – DESCRIPTION OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of operations** – Jennings Senior Housing, Inc. (the “Project”), is a California nonprofit public benefit corporation formed in 2005 under the original sponsorship of Covia Communities (“Communities”), formerly Episcopal Senior Communities, to construct, own, and operate an independent senior living apartment complex, Jennings Court Apartments, specifically for low income seniors located in Santa Rosa, California. Covia Affordable Communities (“Affordable Communities”), formerly Lytton Gardens Senior Communities, is the sole member of the Project. The Project opened in 2008 and is operated under Section 202 of the National Housing Act, as amended. The Project is regulated by the U.S. Department of Housing and Urban Development (“HUD”) as to rent charges, operating methods and use of assets. Agreements with HUD and various other authorities are in place which dictate maximum income levels of tenants and provide rent restrictions through the year 2048. The Project consists of 54 partially subsidized apartments and one resident manager’s unit. The Project generates its revenue primarily from rental income. Rental fee increases are subject to HUD approval.

**Affiliated organizations** – The Project, through its sole member, Affordable Communities, a management and fundraising support organization, is affiliated with Community Housing, Inc. (“CHI”), which operates Lytton Gardens I and II; Lytton IV Housing Corporation; Oak Center Towers; and Presidio Gate Apartments all of which are affordable senior housing communities. Through Affordable Communities’ sole member, Covia Group (“Group”), formerly Senior Resources of the West, a California nonprofit public benefit corporation, the Project is also affiliated with Communities which operates six life plan communities; Covia Foundation (“Foundation”), formerly Episcopal Senior Communities Foundation, a fundraising and supporting organization to Communities; (collectively, the “Affiliates”). All of the Affiliates are California nonprofit public benefit corporations. Some of the Affiliates share common officers, directors, and management and, at times, provide various support services to one another. The Affiliates’ financial statements are not included in the accompanying financial statements of the Project.

**Basis of presentation** – The financial statements have been prepared on the accrual basis of accounting, which recognizes income in the period earned and expenses when incurred, consistent with accounting principles generally accepted in the United States of America.

**Cash and cash equivalents** – Cash and cash equivalents includes cash on hand and cash held in demand deposit, sweep, savings accounts, and certain investments in highly liquid instruments with original maturities of three months or less. Not included in cash are funds restricted as to their use, regardless of their liquidity, such as security deposits and operating and replacement reserves.

**Concentration of risk** – Financial instruments potentially subjecting the Project to concentrations of credit risk consist primarily of bank demand deposits in excess of Federal Deposit Insurance Corporation (“FDIC”) limits.

**Accounts receivables** – The Project receives payment from residents and HUD for services provided. The Project uses the specific write-off method to provide for doubtful accounts since past experience and management’s estimation indicates an adequate allowance for such accounts is immaterial.

**Restricted deposits and funded reserves** – Assets whose use is limited are funded reserves for replacement of the Project. Such assets consist of cash and cash equivalents.

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Notes to Financial Statements (continued)**

---

**Property and equipment** – Property and equipment are stated at cost. Acquisitions of \$5,000 or more and with a useful life of more than one year are capitalized. Depreciation is based upon the straight-line method at rates based on the estimated useful lives of the various classes of property which range from 3 to 40 years. The Project periodically evaluates the carrying value of its long-lived assets for impairment. Based on this evaluation, no impairment was recorded for the years ended March 31, 2018 and 2017.

**Tenant security deposits** – In accordance with government regulations for the Project, the Project must maintain on deposit funds equal to the related liability for tenant security deposits. Security deposits are held in a separate interest-bearing account in the name of Jennings Senior Housing, Inc.

**Net assets** – The Project classifies net assets as follows:

*Unrestricted net assets* represent unrestricted resources available to support the Project's operations and temporarily restricted resources which have become available for use by the Project in accordance with the intention of the donor.

*Temporarily restricted net assets* represent contributions that are limited in use by the Project in accordance with temporary donor-imposed stipulations. These stipulations may expire with time or may be satisfied by the actions of the Project according to the intention of the donor. Upon satisfaction of such stipulations, the associated net assets are released from temporarily restricted net assets and recognized as unrestricted net assets. Temporarily restricted net assets are available primarily for assistance and capital projects as designated by the donors. At March 31, 2018 and 2017, the Project had no temporarily restricted net assets.

*Permanently restricted net assets* represent net assets subject to donor-imposed stipulations that they be maintained by the Project in perpetuity. At March 31, 2018 and 2017, the Project had no permanently restricted net assets.

**Revenue recognition** – Rental income is shown at its maximum gross potential. Rental income is derived from rental rates subject to HUD approval. Vacancy loss is shown as a reduction in rental income. Rental units occupied by employees are included in rental income as an expense of operations. Other income includes fees for late payments, cleaning, damages, laundry facilities, and other charges, and is recorded when earned.

**Tax-exempt status** – The Project is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and has been granted tax-exempt status by the Internal Revenue Service and the California Franchise Tax Board.

The Project adopted the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740-10, *Income Taxes*, relating to accounting for uncertain tax positions on April 1, 2009, which had no financial statement impact to the Project. The Project recognizes the tax benefit from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Project recognizes interest and penalties related to income tax matters in operating expenses.

**Property taxes** – The Project has filed and received an exemption from certain property taxes in accordance with Section 214 of the California Code.

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Notes to Financial Statements (continued)**

---

**Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Economic concentrations** – The future operations of the Project could be affected by changes in the economic or other conditions in the geographic area of Sonoma County, California or by changes in federal low-income housing subsidies or the demand for such housing.

**NOTE 2 – RESTRICTED DEPOSITS AND FUNDED RESERVES**

**Replacement reserves** – In accordance with the HUD regulatory agreement, the Project is required to maintain a reserve for replacement and repair of property and equipment. The reserve is required to be funded in the amount of \$3,422 per month. The funds are held in an interest-bearing account. All withdrawals require prior written approval by HUD. The replacement reserve’s account activity for the fiscal years ended March 31, is as follows:

	2018	2017
Beginning balance at April 1,	\$ 299,514	\$ 258,262
Monthly deposits	41,064	41,064
Bank interest, net of bank fees	542	188
Withdrawals	(35,423)	-
Ending balance at March 31,	\$ 305,697	\$ 299,514

**Other reserves** – The Project has a deposit held in a separate interest-bearing account as a reserve for minimum capital investment as determined by the HUD capital advance regulatory agreement. Withdrawals are subject to HUD approval.

**Residual receipts** – The Project is required to deposit residual receipts within 60 days after year end in a separate, interest-bearing account. The funds can be used for the operating needs of the property, including debt service on the Housing Authority of the City of Santa Rosa note, with the prior written approval of HUD (Note 4). There was no required deposit to residual receipts reserve for either of the years ended March 31, 2018 and 2017.

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Notes to Financial Statements (continued)**

---

**NOTE 3 – MORTGAGES PAYABLE**

The Project's mortgages payable consisted of the following at March 31:

	<u>2018</u>	<u>2017</u>
HUD Section 202 Capital Advance, dated February 1, 2007, secured by first deed of trust on the property, bearing no interest. The advance is a forgivable loan and shall only be repayable if the Project fails to remain available to very low-income households as approved by HUD for a 40-year period from March 2008 through February 2048.	\$ 6,870,900	\$ 6,870,900
Housing Authority of the City of Santa Rosa note dated February 10, 2006, secured by second deed of trust on the property, bearing 3% simple interest per annum from the date of each advance beginning February 2004. Payment of principal and interest is to be made from 75% of annual surplus cash, if any (as defined by the loan agreement), paid only from residual receipts and only with the approval of HUD. The balance of principal and accrued interest is due at maturity in February 2048. The 42-year term is designed to coincide with the closing of the HUD Capital Advance period.	4,985,230	4,985,230
Affordable Housing Program ("AHP") direct subsidy repayment to Sonoma National Bank, dated November 1, 2006, secured by third deed of trust on the property, bearing no interest. The subsidy will be forgiven in full, June 1, 2023, as long as the property has maintained affordability limits as required by the AHP Program.	<u>216,000</u>	<u>216,000</u>
Total mortgages payable	<u>\$ 12,072,130</u>	<u>\$ 12,072,130</u>

**NOTE 4 – ACCRUED INTEREST**

The accrued interest balance is deferred interest due to the Housing Authority of the City of Santa Rosa (Note 3) payable only from surplus cash, if any. The balance as of March 31, 2018 and 2017, is \$1,817,540 and \$1,669,698, respectively.

**NOTE 5 – PROJECT RENTAL ASSISTANCE CONTRACT**

The Project entered into a Project Rental Assistance Contract with HUD for 54 units effective May 1, 2008. The five-year subsidy contract provides for an initial annual maximum commitment of \$303,600. This amount is modified upon rent increases or decreases and the availability of funds, as approved by HUD. Rents cannot be increased without prior written approval from HUD. At the end of the initial contract period, the Project entered into a one year agreement with HUD. Effective May 1, 2016, a 0.00% rent increase was granted which provides for a maximum commitment of \$485,352 (for the period from May 1, 2016 to April 30, 2017). Effective May 1, 2017, a 0.00% rent increase was granted which provides for a maximum commitment of \$485,352 (for the period from May 1, 2017 to April 30, 2018).

**NOTE 6 – RELATED-PARTY TRANSACTIONS**

The Project has entered into a service agreement with Affordable Communities to provide property management services. The monthly fee is 8.6% of the monthly rental income. The Project paid \$48,050 and \$48,050 to Affordable Communities for the years ended March 31, 2018 and 2017, respectively.

Affordable Communities pays the salaries, payroll taxes, and benefits of the Project's employees. The Project reimburses Affordable Communities on a monthly basis for these costs. Personnel costs totaled \$136,587 and \$82,754 for the years ended March 31, 2018 and 2017, respectively.

**Development costs payable** – In 2007, Communities advanced the Project funds for development. Communities provided \$10,000 as a minimum capital contribution required by HUD and an additional \$21,121 for various start-up costs. At March 31, 2018 and 2017, \$31,121 is due to Communities, as included in the statement of financial position.

**NOTE 7 – COMMITMENTS AND CONTINGENCIES**

**HUD regulations** – In connection with the HUD agreements, there are certain restrictions on occupancy of the units which include maximum income limitations and maximum rents chargeable. These agreements also require the maintenance of security deposits and replacement reserves which are to be held by the mortgagee (see Notes 1 and 2).

**Employee benefit plan** – The Project has implemented a 403(b) tax deferred annuity plan. Eligible employees who have satisfied the age and service requirements are allowed to make salary reduction contributions with a maximum contribution of up to the statutory limit. The Plan pays for all the administrative expenses to operate the Plan.

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Notes to Financial Statements (continued)**

---

**NOTE 8 – SUBSEQUENT EVENTS**

Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are available to be issued. The Project recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the consolidated financial statements. The Project's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position but arose after the statement of financial position date and before financial statements were available to be issued.

The Project has evaluated subsequent events through June 28, 2018, which is the date the financial statements were available to be issued.

## **Supplementary Information**

---

**Jennings Senior Housing, Inc.**  
**HUD Project No. 121-EE 178-NP-WAH**  
**Schedule of Expenditures of Federal Awards**  
**Year Ended March 31, 2018**

Federal Grantor/Pass-Through Grantor/Program or Cluster Title	Federal CFDA Number	Federal Expenditures
U.S. Department of Housing and Urban Development (HUD) Section 202 Supportive Housing for the Elderly Project No. 121-EE 178-NP-WAH Outstanding mortgage balance with continuing compliance requirements, beginning balance	14.157	\$ 6,870,900
Project Rental Assistance Contract (PRAC)	14.157	<u>282,304</u>
Total direct expenditures of federal awards		<u>\$ 7,153,204</u>

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

**Basis of presentation** – The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant and loan activity of the Project under programs of the federal government for the year ended March 31, 2018. The information in this schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”). Because the schedule presents only a selected portion of the operations of the Project, it is not intended to, and does not present, the financial position, changes in net assets, or cash flows of the Project.

**Summary of significant accounting policies** – Expenditures in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations* and the Uniform Guidance, as applicable, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**Subrecipients** – The Project did not provide any federal awards to subrecipients during the year ended March 31, 2018.

**Indirect costs** – The Project has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**Loan balance** – The federal loan program is administered directly by the Project, and balances and transactions relating to this program is included in the Project's basic financial statements. Loans outstanding at the beginning of the year are included in the federal expenditures presented in the schedule. The balance of loans outstanding at March 31, 2018 was \$6,870,900.

## **Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

The Board of Directors  
Jennings Senior Housing, Inc.  
(a California Nonprofit Public Benefit Corporation)

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Jennings Senior Housing, Inc. (a California nonprofit public benefit corporation) (the “Project”), HUD Project No. 121-EE 178-NP-WAH, which comprise the statement of financial position as of March 31, 2018, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 28, 2018.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Project’s internal control over financial reporting (“internal control”) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Project’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Project’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Project's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in blue ink that reads "Mess Adams LLP". The signature is written in a cursive, flowing style.

## **Report of Independent Auditors on Compliance for the Major Federal Program and Report on Internal Control over Compliance as Required by the Uniform Guidance**

The Board of Directors  
Jennings Senior Housing, Inc.  
(a California Nonprofit Public Benefit Corporation)

### **Report on Compliance for the Major Federal Program**

We have audited Jennings Senior Housing, Inc. (a California nonprofit public benefit corporation) (the "Project"), HUD Project No. 121-EE 178-NP-WAH, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Project's major federal program for the year ended March 31, 2018. The Project's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### ***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for the Project's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Project's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Project's compliance.

### ***Opinion on the Major Federal Program***

In our opinion, Jennings Senior Housing, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended March 31, 2018.

### **Report on Internal Control over Compliance**

Management of the Project is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Project's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Project's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
