

Creative Aging Symposium

Life is a winding path full of challenges and moments of joy, both of which fuel our resiliency.

February 9, 2023
9:00 – 11:30am PST

Join our sixth annual symposium for virtual discussion, experiences and ideas to nourish and grow roots of interconnectedness. Rediscover pathways to joy, and embrace a sense of play. A lineup of artists and speakers will share tools, practices, and experiences that build creative confidence. This is how we move forward together, living with joy in good company.
